Re: *William C. Spent, Jr. d/b/a/ Spent Saddlery & Feeds v. Dan Geolfos*
Cause No. 11-CA-306-XR

Dear Mr. Kennedy,

Enclosed please find one bronze casting and a rubber mold used by Mr. Geolfos in making jewelry from the team penning design. These are the only items within his possession related to the protected work. This is all Mr. Geolfos has relating to the design.

You need to preserve this evidence during the pendency of this case. Please let me know if you have any questions.

Respectfully,

Charles W. Hanor
